If things go according to plan, today would be when I die.

I wait until the school buses are detected, then head out on foot disguised as a student.

I go somewhere and gear up, then hold a class hostage and go ape~~st~~, then blow my brains out.

Work sucks, school sucks, life sucks.

I just want out of this shit.

F~~uck~~ this state, it really is bad. Think I'm insane? I'm actually more rational, peaceful and less loony than a majority of the citizenry of this entire region.
